**Academics:** Learn from renowned faculty alongside matriculated Columbia students.

**Credentials:** Earn Columbia University credit, and receive a transcript after successfully completing the program.

**Advising:** Work with an academic advisor to customize your studies. Fulfill your academic goals, and take courses that challenge and inspire you—whether you are looking to prepare for graduate school or want to expand your knowledge in a subject area.

**Career Support:** Tap into the Career Design Lab resources and programs.

**Resources:** Take advantage of resources like academic advising, wellness support, tutoring and peer coaching, 22 University libraries, and faculty office hours.

**Housing:** Live in On Campus Housing during the Summer Session. Leverage Columbia's Off Campus Housing Marketplace to find accommodations all year round.

**Community:** Attend class on Columbia's 36-acre enclosed campus in New York City. Integrate into the Columbia community, and study alongside degree-seeking students. Explore the vibrant Morningside Heights neighborhood by taking a walk through Riverside Park, or visit the historic Cathedral Church of St. John the Divine.

**Student Life:** Get involved by attending some of the 200+ skills-based workshops and socials each year, and choose among hundreds of student organizations.
