## **INDIVIDUAL ARRANGEMENTS\***

Please encourage your students to apply individually through our housing portal as soon as possible. **We will NOT hold spaces for groups who have students applying individually.** Please have your students apply as soon as possible so that they have a higher chance of receiving their first choice.

- The 2026 Summer Sessions Housing application is located at [portal.housing.berkeley.edu](http://portal.housing.berkeley.edu) and will be available beginning February 1, 2026. Either a credit card or a Cashier's Check payable to "UC Regents" is an acceptable form of payment for individual applications. **We do not accept Bank/Wire Transfer payments for individual student fees.**

- To apply online, a student must be an enrolled student at UC Berkeley. They will need to have their 10-digit Student Identification Number (SID), and CalNet ID and Passphrase set up in order to log into the application.

- Room Preference: The sooner a student applies, the higher their chance of receiving their preferred room type (e.g., apartment single or double). For students who don't receive their first choice, we will place them on a room relocation waiting list and will do our best to accommodate them.
